Mad Motor Bike Mobs

Mobs of youths on motor bikes from Altona, Newport and Williamstown have been causing concern to residents of the Altona Migrant Hostel. The youth, known as the "Angels" and the "Vikings" race around the hostel roads on their bikes and use the bridge which leads to the Altona Sports Park (formerly the Williamstown Racecourse).

Some time ago the bridge was fenced off with a high cyclone and barbed wire fence but the wire has been cut and pulled back allowing the motor bikes to get through.

The fence was erected by the Altona Shire Council to keep the hostel children out of the sports park and from climbing on the grandstand which no longer has any protective railings around the tiers and consequently is a grave danger to children.

Residents realise it would be difficult to keep the mobs of the sports park, but they do not want them entering the park from the hostel. Apparently their actions in the park and as evidenced by the writing on the grandstand walls, leaves a lot to be desired and migrants are extremely anxious to protect their teenage children particularly their daughters from these youths. However, some of the parents do not want the bridge closed off as it gives them access across the park to the beach.

For showers and toilet facilities migrants have to leave their flats and walk to the public conveniences. Parents are afraid to let their daughters go alone.

Recently Mrs. Maguire of the hostel disturbed a mob of 20 youths waiting to access the youth leader as he left the recreation hut. She asked them to leave the grounds and rang for the police. After the youths gone she found a cash approximately 15 inches in length which was of solid on about one inch thick—she presumed this was to be used on the youth leader. This mob had threatened to eat him up because on a previous occasion he rang for the police to have them moved from the hostel.

Last Sunday morning Cr. W. Knight, MLC, representing Williamstown Council, and Cr. W. G. Cresser from Altona Council, attended a meeting called by the hostel residents to discuss this problem.

Cr. Knight said the trouble when you shift these gangs from one place they move off elsewhere and cause trouble. He considers you need to catch the leader, deal with him, and the gang will be broken. However, these youths seem to have a sixth sense concerning police and always disappeared by the time a patrol car arrives at a trouble spot. On the mobs "next visit" to the hostel.

Cr. Knight asked he be immediately notified and if available he will personally come to the hostel. Cr. Cresser said no matter what facilities you provide for youth there is always a percentage who will not tell themselves of opportunities and these undesirable no-hopers are unfortunately found in every community, the world over. He hopes the new Commissioner of Police will use new methods in dealing with these youths.

When asked for suggestions to help eliminate this problem one parent suggested the installation of a timing system. This to be ended as soon as a gang is sighted and all residents

converge in numbers on the youths who never remain long when out-numbered.

The questions arose as to who would sound the warning and how to make it "child proof." A patrol system was considered but it was pointed out that even now there was always somebody about the camp and it would be no more effective. Some want the fence reconstructed and decking removed from the bridge—the motor bikes could not cross it then. But the beach visitors were against this, they suggested fencing the grandstand, apparently the main congregating area for the mobs. But it was pointed out they would soon cut this fence too.

"It is not a fence we want, demolish the grandstand"—a suggestion which was greeted with cheers from parents.

Cr. Cresser pointed out the grandstand would be a valuable asset if the council receives permission from the Board of Works to carry out

proposed plans for developing the area. He said he would bring the problem to the notice of Altona Shire Council.

Cr. Knight said he planned to raise the matter in Parliament and would ask the Minister of Immigration The Hon. R. J. Hamer, to accompany him on an inspection of the hostel.

STOLEN CARS

Two stolen cars were recovered in Altona last Wednesday. A Holden stolen from St. Kilda Rd. was found bogged in the sand on the beach behind "The Pines" and a Jaguar was found abandoned on the Esplanade near Apex Park.

However, it appears the thieves were not content to walk back to their homes and were probably responsible for the theft on the same night of a Ford Consul from outside 42 Davies Street.

Another car in this street, a Ford Customline, was broken into but apparently the thieves were unable to start it.

The police wish to remind residents to keep their cars securely locked.

THEFT

Recently the kiosk at the Altona Hostel was broken into and entered. Thieves stole groceries, sweets and cigars to the value of £68.

Bus Trouble at the Hostel

Parents of school children living at the Altona Migrant Hostel tried to take positive action to alleviate alleged dangers and overcrowding associated with the school bus. Meetings were called following the death of a six-year-old boy who was run over by the back wheels of the bus after jumping or falling from it in the hostel grounds last week.

There are 140 school children at the hostel—88 of them attending primary schools in Williamstown, 28 the Seaholme State School and the balance are secondary school children.

According to parents there has been only one bus calling for the Williamstown primary school children.

When Mr. Joiner (proprietor of the Altona Bus Line which runs the school bus) was asked for his comments he said every day since the accident an officer of the Board has checked the loading of the 35 passenger bus and they are not carrying more than 56 to 58 children to Williamstown. Since they are only small children every child has been getting a seat in this bus. Two buses are not necessary.

Last Friday parents approached a different bus company with a request for two charter buses. The company submitted a quotation subject to the Transport Regulation Board approving of the buses running on the route.

At a meeting on Sunday morning parents agreed to charter the buses. The parents rang the bus company on Monday morning to inform them all parents had agreed to charter the buses, only to be told the company could not meet their requirements.

Yesterday, Mr. Nichol, the manager of the company, said the quote for the buses was for Williamstown pupils. He said he did not know of the Seaholme pupils until Monday morning, he considered a third bus would be necessary to transport these children and he did not have one available. He said to use only two buses to go to all the schools concerned would mean children would have to wait at one school while the bus went to the hostel and came back to pick them up which, he continued, they had found by experience was not desirable.

The parents contacted other companies but no other buses were available.

On checking with the TRB we were informed by the assistant secretary that in the regulations the number of school children permitted to travel on a bus is not specifically laid down. It does mention a figure of three children for every two adults a bus is licensed to carry, but this is not to be taken as a set figure. He said other factors come into the consideration of whether a bus is overcrowded or not such

as the length of the route. Each case is dealt with on its merits by the Board.

There is also no ruling to say a charter bus may not travel on the licensed route of another line. He again said the Board would deal with an application to operate charter buses on its merits.

More unfortunate for the parents is the fact the Education Department does not subsidise fares for travelling to school if they live within three miles of a school. The hostel is one eighth of a mile under the limit.

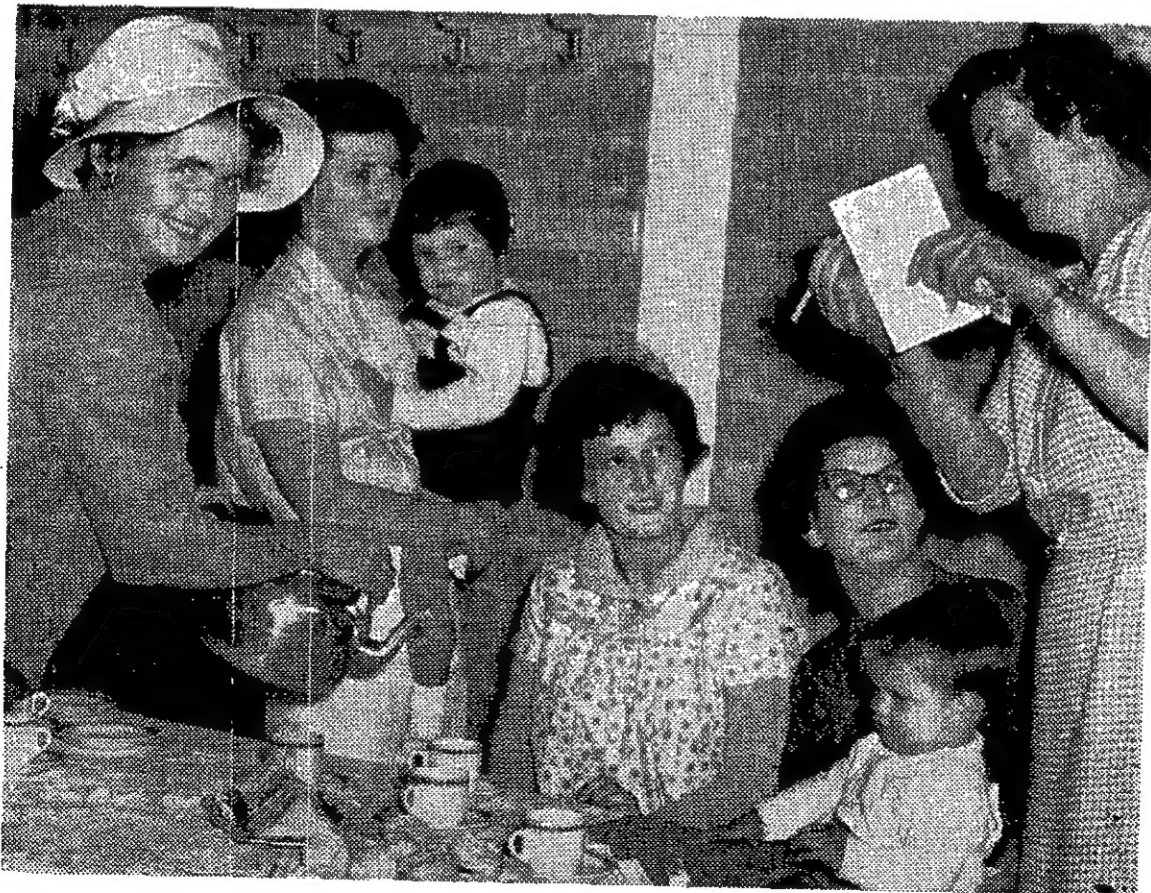

RATES UNCHANGED

The general rate for the Shire of Altona will remain unchanged at 2/2d. in the £1. Sanitary charge will remain at £5/7/- per pan per annum.

This was the decision agreed to by councillors at their last meeting.

General Account Estimates provide for a total expenditure of £618,000 which comes from £281,000 raised from the 2/2d. rate, £29,000 pan charges, £41,000 from reserve funds, £180,000 raised by loan and £87,000 from other sources.

Newly Formed Young Wives Group In Altona North

Afternoon tea is being served to Altona North Ladies attending the recent inaugural meeting of the 10th Young Wives Club to be organised by the Young Women's Christian Association in Melbourne suburbs.

It was held in the Youth Hall in Marion Street and will be known as Altona North Young Wives Club and will meet at 1.30 p.m. on the second and fourth Thursday of every month.

Pictured above (left to right) are Mrs. Lane from YWCA headquarters, Mrs. Cheryl Goosey with three-year-old Arlene, Mrs. Betty Harper, Mrs. Barbara Timms with 13-months-old John Goosey and Mrs. Pat Stewart of Glenroy Young Wives Club.

The whole purpose of the clubs is to defeat loneliness among suburban housewives—to help young women meet others and find friends.

One new member said her worry was that you cannot keep up a conversation with young children and her husband is away all day. When the club meets a baby sitter is provided and mothers do not have to worry about their children all afternoon.

KEEPING UP WITH THE TIMES

It has been rather difficult to keep up with the time in Altona. New-comers to the town have been gazing at the clock in Civic Parade with feelings of amazement and incredulity.

The times were out of joint.

Habitual passers-by knew of a simple answer. The clock was not yet in order. However, the appearance of various inappropriate times based on some random system of selection will now cease. The clock is in order. Eastern standard time will be used exclusively.

The Editor wrote the item above.

The Shire Secretary wrote the item below.
THE CLOCK WILL STOP

In a few days time, the clock will be stopped at 3 o'clock by means of a master switch.

It will remain in such position until the official opening of the Civic Offices on Saturday, December 7.

The ceremony will commence at 2.45 p.m. and it is estimated that at 3 p.m. the official opening will take place, and the switch closed to start the clock.

The clock is controlled by a master grandfather clock in the main office and moves in minutes. It automatically corrects itself at one minute before each hour. For instance, if there is a power break down, the master clock keeps going but the subsidiary or slave clocks will stop and start again when power is re-applied.

EDITORIAL

Christmas is Coming

Not all of us have thoughts only for Christmas at this time. Some are rather concerned about examinations. For many scholars there will be thoughts of the last days at school—some to move on to another place, others to start a new way of life with the end of their school days.

In the minds of all of us, however, there is some place for Christmas and the holidays following.

Now, too, is the time when local shopkeepers face stronger competition from Melbourne. Generally speaking Altona's shopping centres offer prices as economic as those further afield. Except for specific goods and greater variety there is little need to travel. But synthetic Father Christmas' are already on the job and far away scenes are brightest.

Altona traders should give thought to counter attractions. Better shop displays and more attractive features for children are both possible. A concerted effort is essential, this is one time when it is right to put all one's goods in the front window.

November is the month of anticipation. December is the next of realisation. Anticipation is wonderful so let us be childlike for a while and give way to it. In such a spirit we dare to say, "This is going to be the best Christmas we could have. We are going to give happiness. We are going to be happy. Our celebrations and our holidays will be perfect."

The happiest person will be he who makes others happy. There are opportunities at this season to contribute to the needs of others or even better, to entertain one or more of the less fortunate.

It is good also to recall the essential meaning of Christmas.

Special Church Services will be held. Christmas carols will be sung. The Carols by Candlelight at Logan Reserve on December 8 should be an inspiration. A Nativity Crib in our shopping centre would be great value.

A pictorial presentation of the Holy Stable would turn the thoughts of the most blasé shopper to the birth of Him who gives real happiness.

COME TO THE

FAIR

BARGAINS GALORE!
YOU'LL FIND GOOD VALUE FOR YOUR MONEY

WORKING MEN'S CLUB NEWS

A record turn out of members for this popular indoor club sport has made it necessary for the bowls committee to speed up their plans to purchase another carpet and set of bowls, making a total of four carpets.

The singles and doubles championships are now well under way and indications are clear that the club will field a record number of teams in next year's pennant competitions.

SINGLES COMPETITION RESULTS

Alan Lyon 21, defeated Stan Rowe 5.
George Sheriffs 18, defeated Bob Beattie 6.
Alice Yates 10, defeated Jean Turner 9.
Dawn Burgess 17, defeated Joyce Rowe 7.
The "£10,000" weekly prize winning team was J. Bray, M. McCulloch, Ivy Gore, George Yates and Jack Gore.

DOUBLES COMP. (ELIMINATION)

Elsie Lock and Ena Laird 14, defeated Jack Cook and Bernie Reissman 8.

1964 CLUB DARTS COMPETITION

Preparations are now being made to commence the club dart competitions for 1964.

One hundred and twenty members have been invited to attend a meeting in Marions Hall, Seaholme, on Tuesday, November 26, at 8 p.m. to finalise rules, dates and draw.

So far 28 members have indicated they will enter competitions.

END OF YEAR DANCE

Saturday, November 30, St. Mary's Hall, Altona. BYO and also Supper. Tickets at 5/- are as scarce as hen's teeth, but there are still a few available.

ASSOCIATES NEWS

Twenty-nine ladies paid a visit to Heinz 57 varieties now increased to over a 100 anything in tins they can fit and the Associates had a very interesting and enjoyable day.

NOVEMBER MEETING

The November meeting is Monday, 25, in the Church of England Hall. Special feature is a make up demonstration.

ASSOCIATES CHRISTMAS BREAK UP

On December 9 will be the Associates' special occasion of the year—all the good things that go with Christmas will be there.

The party competition for the evening will be "The Best Presented Advertisement" with a very handsome prize for the winner.

CLUB MEMBERSHIP MEETING

This will be held in the Koorringal Golf Club on Monday, December 2, commencing at 8.10 p.m.

Very far-reaching and controversial proposals will be placed before the membership by the management committee on increased entrance fees for new members, finance for club building and members responsibilities to enter the club sports activities and sections.

ANGLING CLUB

Many members have expressed desire for the formation of a club angling section; now that the building is on the way up and the beach being cleaned up—this is the opportunity for all our keen anglers to "lend a hand on the land" by hopping in to prepare part of the beach area for future jetty and safe anchorage area.

OPERATION BEACH CLEAN

The management committee has selected Saturday, December 7, for the club's biggest operation on the beach.

As most "Altona Star" readers know, Saturday, Dec-

ember 7, is Altona's big day.

After many delays and difficulties, we, along with all residents of Altona, join with our Shire Council in celebrating our "Civic Day" with the official opening of our Civic Offices.

Many distinguished visitors will be in our community on that day inspecting our buildings, our projects and our future potential. We hope they will share our pride at the winds of change which have swept through our one time small community of shacks to make it a thriving and ever developing modern township.

On this day we should like to see a maximum turn out of club members to the club site and the beach frontage.

Equipment will be there to assist in cleaning up our allotted part of the beach and also club site area.

Make a note of the date, Saturday, December 7, from 9 a.m. to 11.30 a.m.

ALTONA LADIES BOWLING PENNANT RESULTS

Altona's No2 and 3 teams both won their matches on Tuesday. The No. 1 team had a bye. Results are as follows—

No. 2 team 63, defeated Albert Park 56—
V. Turner, D. Gadsden, P. Cunningham and E. Martin: 22-19.

M. Richardson, J. Douglas, K. Bray and P. Stephens: 23-18.
J. McNeillage, A. Newton, F. McDonald and S. Thompson: 18-19.

No. 3 team 47, defeated Newport 40—
V. Bush, E. Thomas, M. Buck and J. Cheaseley: 23-18.

P. Crischus, E. Flynn, D. Shaw and M. Andress: 24-22.

CENTRAL ALTONA FOOTBALL CLUB

The Footscray RSL has kindly invited the Central Altona Football Club to a sporting night on Friday, November 29.

Supper will be provided and refreshments are available.

The RSL is situated near the Palm Motel, Geelong Rd. Footscray.

This night is open to all senior club members only and their friends. For further information contact the secretary or Lou Thompson

ALTONA LADIES BOWLING CLUB

Championship pairs preliminary rounds were played last Wednesday.

The eight ladies who reached the semi-finals and will play as fours are—

Queenie Cox and Vera Douglas, who play Flo McDonald and Elaine Siphthorpe, Vera Turner and Edna Thomas, playing Pat Gischus and Myra Buck.

On Thursday 28 members journeyed to Geelong to take part in a most enjoyable day of bowls arranged by the ladies of the Belmont Bowling Club. The weather was lovely, the bowling keen and the afternoon tea left nothing to be desired. Back at home the winners of the social game were Vera Sevier (skipper), Alan Gore, Kath Bray and Stella Thompson.

Birthday greetings to Noel Richardson, Alan Shaw and Glad Walls.

Get well greetings to Bob McMinn who has had on operation on his hand.

A reminder for the meeting in the club rooms on Monday, November 25 at 1 p.m. and do not forget gifts for the Christmas Hamper.

The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8880—there is no charge.

ANNUAL DANCE

The Altona and District Air Force Association will hold their annual dance and family night at St. Mary's Hall, Sargood St., Altona, on Friday, November 29.

All ex-airmen and serving airmen are cordially invited to attend. Tickets are available from the social secretary, Mr. B. A. Bye, telephone 65-8423, or the association president, Mr. C. Ritchie, Milk Bar, The Circle, Altona East, telephone 65-3034.

WERRIBEE LADIES BOWLING CLUB

Werribee No. 1 team defeated Auburn at Auburn, last Tuesday, 61-58. Details are as follows—

Mesdames O'Shannassy, Wakefield, Crawford and Clarke defeated Mrs. Collins' ring 23-17.

Mesdames Sparke, O'Garfield, M. Bailey and Meyers defeated Mrs. Barnes' rink 4-15.

Mesdames Morrison, L. Storey, E. Richmond and W. Storey lost to Mrs. McKibbons rink 10-26.

A card afternoon is to be held at the home of Mrs. O'Shannassy in Margaret St. to aid the new shelters on Monday, November 25.

Thursday is vice president's day and a big roll up is expected of all the ladies. Play is to commence at 1.15 p.m.

Birthday greetings to Pat Hasan and Gertie Morris.

Upton St. Bazaar Aids Spastics

On Saturday, November 9, children from Upton Street held a bazaar at No. 7, their efforts were rewarded with £36 being raised.

The Altona Spastic Aid Committee invited them to their meeting, where Mrs. Ramsay, on behalf of the children, presented a cheque for £36 to Mrs. McGregor.

Mrs. McGregor is president of the committee, and after being introduced to the children, thanked them for their very fine effort. They were later given afternoon tea by the ladies.

Since the meeting a further £11/10/- has been handed in making the total £37/10/-. The children who took part were Janet Hart, Dawn, Keith, Allen and June Hynes, Cheryl and Robert Russell, Diane and Ross Winder.

A special thank you to all who helped and encouraged them in their desires to help those less fortunate than themselves.

It is the desire of the committee that all who support them should know that all money raised in Altona is given direct to the Chis-lon Spastic Centre in Bell Street, Seddon, where the local spastics attend daily.

It is impossible to thank all individually as the committee would like to, but the children are so happy that a visit to the centre would prove what a wonderful and necessary work is being done there.

Mrs. Andrews, the secretary supervisor, would be

pleased to show you over the centre. Mrs. Oakes, of 9 Upton Street, Altona, would make the necessary arrangements.

The secretary would be pleased to supply on request thanksgiving money boxes to anyone interested in supporting this worthwhile work and it is suggested that pennies be placed in the tins. These tins will have the Chis-lon labels on them.

TABLE TENNIS NEWS PRESENTATION NIGHT

Next Friday night, November 22, the association will hold its annual presentation night at the PRA auditorium, on the corner of Millers and Kororoit Creek Roads, Altona.

A varied array of trophies will be presented to the premier teams for the summer competition of 1962-63, the 1963 winter competition and to the winners in the 1963 annual tournament.

In addition special awards will be made to players who have won honour by selection in the Atlas Shield teams, to winners of the aggregate trophies in each grade, and to winners of the Robert Fleming trophy for outstanding sportsmanship.

As a prelude to the presentation, selected films will be shown, table tennis stars will render vocal items, and a judo exhibition will be given.

All those interested in table tennis are welcome. The tickets are available at the table tennis centre, Garden Street, Williamstown.

'STARS OF TOMORROW'

"Stars of Tomorrow" is the name given to the annual show being staged by Kean's School of Dancing on Wednesday, November 27.

The show will be held in the Williamstown Town Hall and will commence at 7.30 p.m.

Children from Altona and Laverton will be taking part. Tickets will be on sale at the door and proceeds will aid the Lord Mayor's Fund.

CHRISTMAS REVUE

Miss Alice Uren is once again presenting her annual Christmas Revue in aid of a local charity.

The revue will be held in the Methodist Hall, Seves Street, Altona, on Friday, December 6, at 8 p.m.

Proceeds are to aid the Elderly Citizens' building fund. Tickets are 5/- adults and 2/6 children.

MEETING

Members are reminded that the social committee of the Altona Youth Club will meet at 55 David Street, Altona, on Tuesday, November 26, at 8 p.m.

SCOUT DANCE

The Altona Scout Group will be holding their Christmas dance in the hall in Civic Parade on Saturday, December 7.

Dancing for young and the not so young to an excellent band. Supper will be provided.

During the evening the competition which has been running will be finalised.

GIRLS' FRIENDLY SOCIETY

Next Sunday, November 24, a number of girls at St. Eanswythe's will be made full members of the Junior Girls' Friendly Society.

The girls have been working for some time to qualify, and have now passed all their tests. The admission service will be held at Evensong, which is now at 7 p.m. each Sunday.

STREET STALL

There will be many Christmas decorations among the goods on sale at the street stall being held in Pier St. on Saturday, November 23, by St. Eanswythe's Sunday School.

DEAN OF MELBOURNE AT ST. EANSWYTHE'S

Last Sunday morning the Dean of Melbourne, the Very Reverend T. W. Thomas, spoke to a large congregation which packed St. Eanswythe's Church.

He took as his subject the duty of the Church to serve, not only God, but also the world and its people, and he made particular reference to the recent world congress of the Anglican Communion at Toronto, Canada, where there were representatives from over 300 Dioceses in all parts of the world.

This congress issued a call to the Anglican Church to be ready to serve other people to listen to other people, to work towards unity with other churches and to work for the unity of the human race.

After the service many of the congregation, which included all ages, enjoyed a social gathering over morning tea in the Parish Hall.

CORRECTION

In a recent issue it was stated that the Altona High School canteen was controlled by the Mothers' Club.

This is not correct. The canteen has been voluntarily staffed by students mothers who are not necessarily members of the Mothers' Club.

As previously noted a part time manager commenced duty on Monday, November 4.

10th ANNUAL FLOWER SHOW

The committee planning Altona's annual flower show, held on the first Saturday in March each year, is delighted with the response to their annual request for trophies and donations. The generous response to this request has allowed the schedule to be expanded. The autumn show will have an increased number of sections for exhibits in dahlias, floral art, cookery, children's work and photography.

Screening of exhibits in the coloured slide section of the photography class last year created a lot of interest. The comments of the judge on the slides were particularly appreciated.

With more sections for coloured slides, this show, it is planned to allow more time for screening as well as increased accommodation for spectators.

Intending exhibitors in the floral and vegetable sections are busy planting out seedlings and also seeds of zinnias, marigolds, etc.

Most exhibitors plant their dahlias toward the end of November in order to have blooms ready for the show.

The committee is confident this show, their tenth annual floral show, will be the best yet. Increased interest and entries should make the event a memorable one.

BABY SHOW

The Laverton Infant Welfare and Pre-School Auxiliary will hold a baby show on Saturday, November 30, at 2 p.m. in the kindergarten hall in Crown Street, Laverton.

Entrance fee will be 4/- per child and the babies will be judged by the staff of the Werribee District Hospital.

There will be a prize for the "Baby of the Day" and entrants will be divided into four sections—

Birth to 6 months; 6 to 12 months, 1 to 2 years; 2 to 4 years.

ELDERLY CITIZENS' BUILDING APPEAL

The Elderly Citizens' Welfare Committee wish to acknowledge donations to their Bob-a-Brick Building Appeal. Union Carbide Australia Ltd. £25, Sunball £20, Altona Petrochemical Co. Pty. Ltd. £20 and sale of bricks £10.

Total of the appeal to date is £211.

Approval has been granted by the tax authorities for donations of £1 and upwards to the Bob-a-Brick Appeal to be an allowable tax concession.

After Christmas the committee will be pushing the campaign as they have permission to sell the "bricks" in the street during January, February and March.

Permission has also been granted to conduct a raffle for a Christmas Hamper valued at £25.

BIRTH

John and Margaret Grubb, of Wren Street, Altona, are thrilled with the arrival of their first child, a daughter.

Lee-Anne May was born at the Footscray Hospital on Friday, November 15.

Margaret, the daughter of Mr. and Mrs. R. Barton, formerly a hairdresser at the Altona Beauty Salon.

Doolan Wrecks Werribee
with 8-49

Following their easy dismissal of Werribee for 41 the first Saturday, Research Farm declared their innings closed as it was on the end of the first day at 2 for 115 and sent their opponents back to bat. Werribee, with an outright defeat threatened, were constantly under pressure and were finally dismissed for 132, leaving their opponents with 59 to make for outright victory.

Highlight of the game was the great bowling effort of Research Farm's Paul Doolan, who captured 8 wickets for 49 runs to become the first recipient of the special shirt prize announced recently.

Doolan's performance in this game, both batting and bowling, stamps him as one of the best all-rounders in the Werribee competition. Research Farm were able to make the required runs without much trouble and gained their second successive outright victory to retain top place on the premier ship ladder.

SOUTH ALSO SCORE OUTRIGHT
Werribee South kept within striking distance of the leaders by scoring a crushing outright win over Werribee (2) at Soldiers Reserve.

After dismissing their opponents for 59 runs in the first innings they were troubled to repeat the performance in the second innings when Werribee (2) could only manage 39. This game finished with approximately 80 minutes to spare with the bowling performance of Jack Closter as the highlight. Closter finished the day with the fine figures of 6 wickets for 16.

With this win under their belts South have now joined Research Farm in a break-away bid from the rest of the field.

LAVERTON DEFEATED EASILY
IOR gained their first win

for the season when, after compiling 229 the previous week, they got Laverton out for a disappointing 119 on the turf at Chirnside Park.

Laverton were never in a good position and, only for a fighting partnership of 42 between Kevin Skehan and Frank Gibson, would certainly have been in danger of outright loss by the tea adjournment. Skehan batted aggressively and seemed to be the only Laverton batsman who was completely at home to the tight IOR bowling. Gibson had a good day with 29 in the first innings and an attacking 34 not out in the second innings.

Bowling honours for the day were with IOR's Arthur Farthing, who bowled consistently for the creditable figures of 4 for 17.

On November 29 there will be a meeting at the Altona Scout hall at 8 p.m. for guides and scouters to organise "Thinking Day" ceremony.

STREET STALL

The Local Association is to hold a street stall on November 30 in Pier Street, at 9 a.m.

NEW PROPRIETOR "Werribee Banner" has a new proprietor. Mr. A. Barnes has sold the paper and printing business to Mr. L. O'Leary, a journa- list.

The long established "Banner" has for 60 years been in the hands of the Barnes family. Mr. Barnes is retaining his interest in the stationery business.

At Werribee Council felicitous remarks were passed by various councillors. The Banner has certainly been an institution in Werribee and councillors appreciated the service Mr. Barnes had rendered.

He had given a good coverage of sporting and other events. His council reports were the only means by which citizens could be aware of matters affecting them. He had been critical on occasions but such criticism had been offered and accepted in the right spirit.

Councillors offered Mr. O'Leary, his successor, their best wishes for himself and his paper.

SEWERAGE TO PARKS TO BE CONSIDERED

The cost of connecting sewerage to all club houses on reserves and parks is to be considered by Werribee Council.

Before the council was a request that a deputation be received from the Werribee Boy Scouts Association relative to financial assistance sewerage connections.

The scout hall is on public ground and Cr. Powell said the work should be council responsibility. The council should undertake sewerage connection the same as other public works.

How many other bodies who may be in a similar position could be involved? asked Cr. Earl. He said council had to be careful and needed this information before reaching a decision. Although he was sympathetic to the scouts he considered, at this juncture, a deputation would serve no good purpose.

Cr. Earl moved that the association be informed that a deputation would not be necessary and that plans and estimates of sewerage connections to all clubs on reserves and parks be prepared for consideration. Cr. Powell seconded the motion and it was passed by council.

DRAINAGE SCHEME FOR L'TON

Werribee Council does not approve of the Board of Works proposal to construct an open drain from Triholm Avenue to Skeleton Creek in Laverton.

The Board informed the council the drain would have a bottom width of 10 feet, average depth of 4 feet and a top width of 30 feet. However, they inquired if the council would formulate a drainage scheme for the area.

The Shire Engineer, Mr. McCormack, said if it is necessary to drain the RAAF Station the Department of Works has stated it would be compelled to construct an open drain. Mr. McCormack considers this would be an unsightly dangerous mess. He said if the council plan a drainage scheme for the area the Commonwealth would assess and pay a proportion of the cost. Existing 18 inch pipes are useless and he wants a pipe of approximately 6 feet diameter running from Triholm Avenue to the creek.

Cr. B. Comben said new tarmacs and buildings had been constructed on the RAAF Station with apparently no provision for the extra drainage involved. He said during the last 12 months people north of the area had been flooded and now the southern area was as bad. He moved that the engineer be instructed to prepare a drainage scheme and forward it to the appropriate Department for agreed to this action being taken.

£24,000 TOO MUCH FOR BUILDING

"£24,000 is too much for the elderly citizens' building, it seems to be to be double what is fair and reasonable," said Cr. McNaughton at the last meeting of Werribee Council.

This amount is the estimated cost of erecting a building which the Old Peoples Welfare Council of Victoria considers will provide the necessary facilities required for an elderly citizens' centre.

Recently a deputation from the Werribee Old Peoples Welfare Committee asked the council to consider raising a loan of £15,000 to meet the cost of the centre. To cover the remaining £9000 the committee has £4500 in hand and a Government subsidy of £5000 is available.

Cr. McNaughton pointed out that £24,000 was a quarter of the Shire's annual income. Loans cost £20,000 last year, the council has just finalised the borrowing of another £100,000 which will cost £5000 per year. He asked how far could the council go on borrowing when already £25,000 a quarter of the annual return is tied up. He suggested the council must not borrow more until they know exactly how much higher they are going to allow themselves be encumbered with interest charges and loan repayments. He felt £24,000 for the building was way out and above what they could reasonably expect. He moved that the finance committee be requested to prepare a graph showing how borrowing and extra charges have increased.

To borrow this money the council would have to apply to have their borrowing power extended and Cr. Powell pointed out the council had two or three other important matters which would require extra loan money.

Cr. Smith considered the council could afford the club and it was their duty to provide the club. In their report to the council the committee did not mention their plans for repayment of the loan which Cr. Smith thought should have been included. He did not think it would be difficult for the committee to repay £1000 per year. His ideas included substantial donations, a once a year raffle such as a car, block of land, etc.

Cr. Hudson said the Central Riding had virtually committed themselves on this building. They had gone into the loan repayment, knew what they could afford and he suggested the finance committee graph was not necessary as they had loan figures in front of them.

"This plan seems to be for an area such as North Balwyn," said Cr. Earl. He also pointed out that the £4500 the committee already has in hand had virtually been given to them by the council. He would consider supporting the proposed plan if it was extended over a period of four to five years. He wanted to see something tangible put forward for repayment of the loan. He seconded Cr. McNaughton's motion, but when put to the vote it was lost.

Cr. Powell gave notice of motion that council apply for extension of their borrowing power. This will be considered at the next council meeting.

In the meantime a request will be made to the committee to inform the council of their plans for repaying the proposed loan and to consider embarking on a scheme to achieve the finished building over a period of three to four years.

LAVERTON MARCHING GIRLS

Two teams from Laverton the Squadronaires and the Wirraways, marched at Footscray last week in the Safety Rally organised by the Lions Club.

The senior team, as a joke presented their chief chaperon with a feathered head dress and an inscribed badge "Mrs. Allen, Big Chief Sitting Bull."

On Sunday next some of the girls with instructors and chaperons will be attending the championships at Burwood as spectators, hoping to pick up some hints and tips.

Some more girls between the ages of 12 and 14 years old are still required to complete a junior team. Would any girl interested please contact Mrs. Allen, 17 Williams Road, Laverton.

BRUCE COMBEN FOR FOOTBALL COMMITTEE

Cr. Bruce Comben, of Laverton, will be automatically elected to the Carlton Football Club Committee at their annual meeting on December 2.

There was an extra nomination for the committee, but Mr. Warren Howell withdrew his nomination because of pressure of business.

Now no election will be required and Cr. Comben, a former captain and back pocket player of the Carlton football team, will take a place on the committee.

YOUNG FARMERS CLUB ACTIVITIES

Following are events and activities listed for members of the Werribee Young Farmers Club in the next few weeks—

NOVEMBER 24: Navigation Car Trial, leaves the racecourse at 1 p.m.

NOVEMBER 27: DC Final, USA trip of Wembee.

NOVEMBER 28: DC Debate Final, Geelong v. Balliang East at Little River.

DECEMBER 3: Werribee general meeting at 8 p.m.

RED CROSS MEETING IN WERRIBEE

The Shire President, Cr. A. E. Davis, has convened a public meeting on Wednesday, November 27 at 8 p.m. in the RSL hall. The purpose of the meeting is to formulate plans to assist Red Cross in their Golden Jubilee Year Appeal.

Miss Beryl Taylor, director of branches, and Mr. Richard Morris, appeals officer, will be representing the society, and arrangements have been made to screen two films on Red Cross activities.

"Red Cross Panorama" covers the activities of the Australian Society within Australia, and "Dushaka Kubaho" is of a combined League and United Nations Program for the Watusi refugees in the Congo.

Cr. Davis would be most pleased to welcome all residents and their friends to an evening of interest and entertainment.

CAMPBELLS COVE REQUESTS

Two requests from occupants of sites at Campbells Cove came before Werribee Council last week.

The first was a petition submitted by siteholders asking the council to approach the State Electricity Commission regarding extension of power to the camp sites. The council decided to forward the request on to the SEC.

Permission to transfer a boat site to a new lessee was the second request which has been held over to a later date. Cr. Earl suggested before dealing with this transfer South Riding councillors needed time to inspect the area and give consideration to the whole position at Campbells Cove.

**ALTONA AND DISTRICTS DARTS LEAGUE****BRISTOL HAS NARROW WIN**

Last Thursday night saw the two undefeated teams, Bristol Hotel and Albright & Wilson, fight out a thrilling game with Bristol finally winning by the odd game.

Doug Stirk, captain of Bristol, suffered a whitewash at the hands of J. Irons or Albright & Wilson, a first year player, to give Albright & Wilson the first game.

Easdon of Albright & Wilson disposed of J. Patterson (Bristol). However, G. Payne and K. Kearney of Bristol evened the score by each winning their games.

Tom McCully captain of Albright & Wilson defeated J. Pollock (Bristol) and R. Harvey (A&W) whitewashed K. Robinson (Bristol) to put A&W two games in front.

In the threes J. Patterson, D. Stirk and G. Payne clinched victory when Patterson threw the winning dart to reduce A&W's lead to one game.

The second threes saw another tough struggle finishing with Tom McCully wanting the double 8 and Pollock the double 1 for victory. John Pollock finally shot his double 1 to make the score four games each.

In the teams game J. Irons opened the score with 116, followed by Doug Stirk with a 100 and so the pattern was set for an exciting game to see Ken Kearney throw the winning double to take the game and match.

In the second match of the night Altona Darts and Carbon Black played off and Carbon Black ran out easy winners 5-2.

T. Rogers, captain of Altona Darts, went down to Alf Thompson of Carbon Black, to put Carbon Black in the lead. However, J. Fido and J. Whiffin of Altona Darts both won their games to give Altona Darts a one game lead.

Kevin Timms, captain of Carbon Black, evened the score by winning his game. Jim Green (Altona Darts) opened his game with a 100 start. However, Bill Burrows (Carbon Black) disposed of him to give them the lead. Noel Augustini (Carbon Black) defeated Syd Naylor to give Carbon Black a four game lead.

In the first threes Alf

Thompson, Bob Moody and Joe Managh of Carbon Black swept through Altona Darts to win the game and take the match.

HIGHEST SCORES

BRISTOL HOTEL. — D. Stirk 100, J. Pollock 90.

ALBRIGHT & WILSON. — J. Irons 116 and 100, T. McCully 83.

FINAL SERIES

SECOND ROUND. — The second round will be held tonight (Thursday, November 21) at Marions Hall at 7.45 p.m.

Likely winners are in capital letters—

BRISTOL HOTEL v. Carbon Black.

Altona Darts v. **ALBRIGHT & WILSON.**

THIRD ROUND.—Thursday November 28: Loser of Carbon Black—Bristol Hotel game v. winner of Altona Darts—Albright & Wilson game.

GRAND FINAL. — Thursday, December 5: Winner of Bristol—Carbon Black game v. winner of third game.

All games will commence at 7.45 p.m.

VICTORIAN STATE TEAM

The Victorian Darts Association will be selecting a team of six players to represent Victoria in the Australasian Darts Championships which will be conducted in Sydney during Easter weekend, 1964. Any player in the Altona League who will be available is asked to contact the State President, R. Rose, 4 Linden Street, Laverton, as soon as possible so that they can be included in the round robin elimination in February, 1964.

**SPORTING
PERSONALITIES
PAST AND PRESENT****No. 16—RON GRAHAM.**

Following in father's footsteps is an old adage and Altona A Grade tennis player, Ron Graham, has certainly followed the pattern set by his father, the late Tassy Graham, who is on record as having won the Altona Tennis Club singles title on six occasions.

Ron has not only made his mark as a district tennis player of note, but he has claim to a fair measure of success as a footballer both with Altona and the Association teams, Yarraville and Williamstown.

Similarly to most sportsmen, Ron had initiation to sport while attending school at the St. Joseph's Christian Brothers in North Melbourne where he was a member of the school cricket XI. In football Ron was a member of the school under 15 team which won a premiership and completed the season without a loss.

When he was 15-years-old Ron turned his attention to tennis and he became a member of the Altona Tennis Club where in the years 1950, 51, 52 and 53 he was A Grade open singles champion.

Partnered by Noel Rohleder in the under 19 doubles during the 1950, 1951 period, Ron was able to add further to his list of wins. The under 19 district singles championship also went to Ron.

As a member of the well-known Liston Tennis Club situated at Williamstown, Ron became open singles champion of the club in 1955, 57, 58 and 59 and in that time he was also a member of a premiership team.

Ron was to be seen in a hat-trick of Williamstown District open championship wins in 1960 as in this year he became district singles champion and also partnered in the successful mixed and mens doubles championship events.

Playing as No. 1 for the Altona A team in 1960, Ron was able to assist the combination to a premiership victory. Also in 1960, Ron was open singles champion of the club followed up by similar wins in 1961 and also in 1962.

For the past seven years, Ron has represented the district in a combined team which plays in a series of games at Kooyong and the last four of these years he has acted as captain of this team.

Country tennis also holds an attraction for Ron and he has won events in no less than four clubs. At the Kilmore tennis club Ron has taken the singles event in 1957, 58, 59, 60 and 62, and in 1959 and 1962 he was successful in the handicap singles event. The open men's doubles event of the Kilmore district has gone to Ron and partners in 1957, 1960 and 1961 and in 1959 and 1960 he partnered successfully in the mixed doubles district titles.

Further afield at the country town of Bright, Ron has taken out the singles event on three occasions and to add further to his country tennis tours, he won even at Maryborough and Korumburra.

At one stage of his tennis career, Ron had the privilege to play in a special invitation tennis event against the visiting Brazilian Champion Carlos Fernandes at the Esplanade Club in Williamstown.

Football has played a major part in Ron's sporting history for on three occasions as a member of the Altona Football Club he was selected to play in a Werribee District combined team against a combined VFL Reserves team.

While playing for Altona against INF in a grand final Ron had an after the bell kick which hit the post and gained a draw for his team, thus gaining a second shot for the flag. Altona later defeated INF in the replay.

Williamstown Football Club had Ron as a player for two years and he played both for the first and second XVIII and in that time he was called on to fill a gap left by the club's leading goal-kicker Johnny Walker. Ron acquitted himself well in the half forward and full forward position while with Williamstown and on several occasions was voted amongst the best players afield.

Added to his all round ability, Ron has his good days at golf and his best score here is an 84 gained at the Point Lonsdale course. Ron at this stage is still keen on his tennis but admits that he cannot put the time and practice into the game and those two items have gone a long way in giving Ron the grand record he has to his credit. — STAN CLEGHORN.

Bowlers Win One & Lose One

The club's first team defeated Thornbury (3) last Saturday by eight shots, whilst the second team went down by the same number of shots to Glenroy (3). The third team had a bye.

PENNANT RESULTS

No. 1 team 98, defeated Thornbury (3) 90—

D. Watters, G. McNeillage, J. Fisher and A. Turner: 29-17.

A. Hill, J. Stephens, J. Whyte and W. Monkhouse: 21-24.

A. Clarke, T. Mitchell, T. McMahon and D. Cunningham: 20-29.

R. Don, C. McDonald, A. Molloy and T. Oliver: 28-20.

No. 2 team 91, lost to Glenroy (3) 99—

H. Martin, D. Emery, W. Walsh and G. Bush: 22-15.

S. Roberts, W. Inglis, G. Russell and J. Flynn: 28-18.

W. Harrison, L. Cox, E. Jemmeson and E. Roach: 14-

42. W. Probert, S. Ashman, M. Neal and L. Smith: 27-24.

Saturday's winning bankers were L. Crofts, F. Jumpertz and T. Burke (8). A number of bankers were once again the guests of the South Melbourne Cricket Club Bowling Section and had a most enjoyable afternoon.

On Sunday social bowls took the form of own entry. A most pleasant afternoon in perfect sunshine was enjoyed by 68 players.

There were four teams in the roll off which was won by Tom Oliver's rink, which comprised his wife Essie, Vera and Arthur Turner.

Jack Fisher's team, who also had five bowls within the yardstick, were runners up: Ruby Fisher, Lorna and Bill Walsh made up the four.

CLUB EVENTS

Some further winners in club events to date are as follows—

CHAMPIONSHIP: A. Turner, R. Don, G. McNeillage,

S. Ashman, T. McMahon, J. Newton, W. Probert, D. Cunningham, J. Whyte, H. Harris, J. Fisher and A. Clarke.

PRESIDENT'S TROPHY: C. Williams, M. Neal, G. McNeillage, D. Siphthorp, L. Crofts, J. Stephens, J. Fisher, T. Mitchell.

CONSISTENCY: J. Newton, J. Murphy and D. Cunningham.

PAIRS: A. Molloy, A. Clarke, D. Cunningham, E. Roach, G. Russell and D. Siphthorp.

THIS WEEK'S GAMES

Next Saturday's pennant games are—

No. 1 v. Ormond Park, away.

No. 2 v. West Coburg (6), at Altona.

No. 3 v. Footscray Park (7), away.

The first and second teams are third in the section and the third team, although the same number of points (12) as the leading team (Newport) are fourth on percentages.

Petrol Stealing Charge Adjourned

Stuart Johnson, technician, of Wren Street, Altona, was charged that on November 11, he did steal approximately three gallons of petrol, the property of Raymond Rivett, and valued at approximately 10/-. He pleaded guilty.

Raymond Rivett, contractor, of Seagull Avenue, Altona, said at 4.30 p.m. on November 8, he parked his vehicle, an excavator, on a vacant block of land opposite his home. From something he was told he checked his petrol tank on the Monday morning and found two to three gallons missing.

Constable D. Keegan of Footscray, said at 2 a.m. on November 11, he was on duty in the divisional van in Somers Parade and saw a car with no lights on in Seagull Avenue. The lights were then turned on and they followed the car and intercepted it in Stanley Street. Defendant was seated next to the driver and he asked him to get out. He then saw a piece of rubber hose which smelt of petrol. When asked why it was in the car, Johnson said the carburettor was playing up and they had to use it. They went back to Seagull Avenue and he saw an excavator parked there. He asked Johnson if he siphoned petrol from it, but he said no. He then went back to Stanley Street and looked around where the car stopped and found an empty four gallon drum which smelt of petrol.

At Footscray Police Station Johnson admitted siphoning the petrol from the excavator into a drum, for his mate's car. When they saw the police he put the drum out of the car when they were stopping.

Mr. P. J. O'Connor, SM, adjourned further hearing until February 12, 1964, on Johnson entering a recognizance of £5 and to be of good behaviour in the meantime.

DID NOT STOP AT FLASHING RED LIGHTS
Cyril Kenneth Hobbs, of Kardinia Street, Geelong, was charged that on August 23 at Altona he did fail to observe and comply with flashing red light traffic signals. He pleaded guilty.

William Hampton, fencing contractor, of Caulfield, said at 3.20 p.m. on August 23 he was driving his truck in Millers Road towards Altona. It was laden with timber and very heavy, he slowed down to about 20 mph at Kororoit Creek Road. He saw a car on his right approaching the corner and thought it would stop at the red light but it kept coming and hit him on the side of the truck. He tried to speed up to get as far as possible across the crossing.

Francis James Davey, Alexander Street, Footscray, said he was a passenger in the truck. He saw defendant doing about 35 mph and it did not stop at the red light. It kept coming and just before it hit them he heard a squeal of brakes.

Hobbs told the Court he had almost stopped and then changed into second gear as he thought that was sufficient. He was fined £15 with £3/17/- costs.

NO TRAIN TICKET
Wayne Newman, of Railway Street, Altona, was fined £2 with 10/- costs for travelling from Seaholme to Altona without a ticket.

His weekly ticket from Melbourne was only to Seaholme.

CANARY EXHIBITION
An exhibition of young canaries (six to nine-weeks-old) will be staged in the Angler's Club Hall, Leeds Street, Footscray, on Wednesday evening, November 27, from 8 p.m. onwards.

Visitors are invited to remain to hear a lecture on breeding season difficulties and how to overcome them.

Questions may be asked about such problems as, infertile eggs, hens that will not feed their young, hens that throw their young out of the nest and so on.

The above display will be staged by the Sub Western Canary Club.

Motor Cyclist Caught after 120 mph chase

John Alfred Pavey, 21 years, of Ceberus Crescent, Williamstown, was sentenced to three months imprisonment for driving in a manner dangerous to the public on Kororoit Creek Road, Geelong and Fitzgerald Roads on August 15.

He was also fined £20 for failing to stop at the flashing red lights at Millers Road, £15 for carrying a pillion passenger when not licensed for 12 months and £15 for exceeding 40 mph when carrying a pillion passenger. He was also disqualified from obtaining a licence for five years.

First Constable C. Chibnall, of the wireless patrol, said at 4.30 p.m. on August 15 he was in a patrol car with other police in Kororoit Creek Road. They were in the 40 mph zone and were passed by a motor cycle with a girl passenger travelling the same direction, west. He estimated its speed at about 80 mph. The driver of the Patrol car was instructed to intercept the cycle and the accelerated. He saw the cycle move to the centre of the roadway and overtake several cars.

Approaching traffic, was very heavy and some of them moved right off the side of the road. Because of the traffic they were unable to pass the vehicles in front of them for a while.

Approaching Millers Road he saw the flashing red light and the motor cycle went through the intersection at an estimated 80 mph. They were forced to stop by the traffic and just west of Millers road saw a derestriction sign, and as they passed it the police speedo showed 90 mph and they were not gaining on the cycle.

Near Maidstone Street he saw a number of cars on the left hand side entering Kororoit Creek Road that were forced to stop to let the motor cycle through. At this point the police speedo was showing 110 mph, and they were maintaining an even distance behind the cycle, who was, a considerable distance in front. He saw the motor cycle turn left into Geelong Road without slackening speed, their speed was still 110 mph and still an even distance between them.

The motor cycle was on the extreme right of the road and overtaking a large number of cars. Some of these cars were in the process of overtaking other cars when the motor cycle passed them. They were doing 120 mph when approaching Fleetwings Service Station and he noticed the stop light of the motor cycle go on and saw it slowing. It made a right-hand turn and commenced to drive back towards Melbourne, causing several cars to brake or swerve. The police car was forced to stop completely. When able to, it turned and commenced to chase the cycle again, and got up to 110 mph again and then 120 when it started to overhaul the cycle. They were within 20 yards of the rear of it when the bike started to slow down and made a turn left where a sign said to Deer Park.

He passed a stop sign at 35 mph and turned into Fitzgerald Road. He saw a car about to make a right hand turn, have to brake and allow the bike to pass. They were doing 110 mph along this road then increased to 115 approaching Dohertys Road. They slowed down, but the bike went through at 110, the same thing happened at Boundary Road.

They were about to overtake the motor cycle when it veered across to the right blocking their way through. It did this three times until the police car did pass, which slowed down and kept veering from right to left until the bike was forced to stop.

He assisted the girl passenger to alight, she was very distressed. She told them she was scared stiff and had her eyes shut all the way.

Pavey said he did not know they were chasing him, and did not hear the horn or siren. Told he must have seen them at Laverton, he said, "As a matter of fact I did see you, but thought I could do you. I could have if I hadn't had the pillion passenger." Told he was doing 110 mph he said it could not go that fast. He said it was a BSA 650 cc and he had done 110 on it before and still had a bit in reserve. He said he knew when he passed them in Kororoit Creek Road they would come after him but didn't think they could catch him. He got the shock of his life at Laverton when he saw them so close behind him. He made a statement which said he had had a few drinks of beer and decided to take the girl for a ride. He did about 75 mph on Kororoit Creek Road, but did not think it was dangerous as he could handle it. He did about 90 mph along Geelong Road, but did not know the police were chasing him. He held a learner's licence. The chase occupied a distance of 131 miles.

Pavey told the Court he had given the bike away and apologised for any inconvenience caused to the police. He admitted a long list of convictions of traffic offences ranging back for three years.

Mr. P. J. O'Connor, SM, told him he had a very long and unenviable record, he remembered telling him before that it was rather extraordinary for one of his age to have such a complete and utter contempt for the law. He had displayed that over the years with his numerous offences under the traffic laws.

OUR MOTTO—CLEANLINESS, SERVICE AND CIVILITY

LCP CANDIDATE FOR LALOR

Believing that the problems facing young married couples are a major election issue the LCP have endorsed Mr. Murray Treseder for Lalor because of his special qualifications.

Mr. Treseder is 28 years of age and is married with four children under the age of six. He has experienced many of the problems associated with finding housing accommodation and he believes that the proposals of Sir Robert Menzies to relieve the housing problem, particularly the "deposit gap," will be of great benefit to all young people. He is also active in solving the problems of unmade roads, poor drainage and the lack of schools as he is living in a newly developing area.

Mr. Treseder, born in the Mallee and educated at Swan Hill High School, is a graduate in Science at the University of Melbourne. He was awarded a Public Service Free Place to enable him to study full time. Since graduation he has continued his studies part time and is completing a degree in Commerce. He is an Associate of the Commonwealth Institute of Valuers and is qualified to carry out valuations throughout Victoria. He is in practice on his own behalf as a valuer.

An interest in community affairs is an important part of his life. He is the secretary of the Rangeview Co-operative Society which has just built a new kindergarten by self help. He also takes an active interest in the Rangeview Progress Association.

To all people young and old it is essential that the Menzies Government is returned on November 30 to maintain a stable expanding economy.

Murray Treseder is aware of the problems facing these newly married and those with young families. He is also very aware of the many problems which face the primary producer. He urges you, that on November 30, you support him for young, progressive, energetic representation for Lalor.

ELECTION DRAMA ON TV

For the first time on Australian television, outside broadcast cameras will, on Tuesday, November 26, at 8.30 p.m. take viewers into the midst of a full-scale election meeting. It's hoped that the result will capture the tension of an election meeting at the height of the campaign, as well as the colourful atmosphere.

The speaker will be the Prime Minister, Sir Robert Menzies, and the outside broadcast will originate from the Oakleigh Town Hall, and will last 30 minutes telecast. It will be screened direct by ABV2 and all ABC regional stations, as well as GTV9 and HSV7, and commercial stations at Ballarat, Traralgon and Bendigo.

Although a regular part of American politics, a televised campaign meeting has never previously been attempted in Australia, although Mr. Calwell's policy speech was recently telecast. Liberal Party officials stress that the meeting will not be staged in any way for the benefit of the TV cameras.

"Our view is that the cameras are merely invited guests," a Party spokesman said.

"The Prime Minister will be speaking to a public meeting in the Oakleigh electorate, and the TV cameras will merely 'report' this meeting." Viewers will be able to follow fully any exchanges, humorous or otherwise between the Prime Minister and interjectors.

Much careful planning has gone into the technical side of the OB to ensure that the TV cameras capture the true feeling of the meeting.

R. T. POLLARD SPEAKS AT WERRIBEE

The Hon. R. T. Pollard, endorsed Australian Labor Party Candidate for Lalor in the forthcoming Federal Elections on November 30, speaking at his opening meeting at Werribee on November 12, said:

"On October 25, Sir Robert Menzies informed the Parliament, which still had a life of 14 months to run, that it would be dissolved on October 31.

"This was an act of political cowardice unparalleled in the history of our National Parliament. The Prime Minister complained that on five occasions the Labor Opposition had moved resolutions which, if carried, meant the defeat of his Government.

"His majority of one, after the election of the Speaker, was too slender," he explained.

"Opposition attempts to defeat the Government is a time honoured practice in every Parliament of the British Commonwealth and is evidence of the Opposition's virility and vigilance.

"It is worthy of note that the Government was never the victim of an adverse vote in the Parliament.

"The Opposition's tactics in the House were identical with the tactics of the Menzies-Padden Opposition in 1941 and onwards when they were endeavouring to defeat the Curtin-Chifley Labor Governments in the most critical wartime period.

"It is interesting to recollect that Mr. Curtin was for a time dependent on the support of two independent Members and was confronted by an anti-Labor majority in the Senate.

Labor's Prime Minister had political courage in the face of the gravest international crisis in our history.

Sir Robert lacks that quality so necessary if an international crisis is, in fact, now pending. He deserts the ship and yet asks to be re-appointed as captain.

"I am sure that on November 30 the electors will not reinstate a Prime Minister, who, with a working majority in the Parliament, refuses to continue the Parliament's work. His actions will cost Australia £500,000 and a separate Senate election before June of next year.

"Had Sir Robert continued to man the ship, the House of Representatives and the Senate elections could have been held next year and saved the extra cost now involved in a separate Senate election.

DEFENCE

Electors can be sure that the Labor Party will, in the future as in the past, arrange for the adequate defence of this Australia of ours and honour our international obligations to the full.

"The Australian Labor Party stands firm with its unwavering support for the peace-making efforts of the United Nations Organisation and for international agreement directed at the banning of nuclear weapons and all other armaments.

The electorate of Lalor, which I have represented since 1949, now has approximately 97,000 electors, whom I hope you will agree I have represented effectively for 14 years.

"The electorate of Lalor comprises rural, industrial and large residential areas and therefore has mixed, yet inter dependent interests.

"Within its boundaries are to be found massive industrial works such as Fords at Broadmeadows, Massey Fergusons at Sunshine and many newly established industrial undertakings. There are also to be found a wide range of agricultural pursuits such as vegetable growing, etc., at Werribee, to dairying, meat and wool production in other parts of Lalor.

"Lalor, in many respects, is typical of the Australian scene. It mirrors the balance between industry and agriculture and highlights the rapid change in productive techniques, which bring con-

stant changes to the pattern of living of its people.

Since all campaigning is required, by law, to cease on Wednesday, November 27, the Oakleigh meeting will be the Government's last major stand in the election battle.

Three days later, on November 30, the nation will go to the poll.

stant changes to the pattern of living of its people.

"New productive techniques create more wealth and more leisure for the people, but unless we are careful the fruits of the new technology will not be disturbed justly amongst all sections of the community.

"It is in both the encouragement of the new techniques and the distributions of their products that politics become important.

"It has always been the guide to the thinking of the Australian Labor Party to free man from the drudgery of soul destroying toil and from the chronic financial burdens which weigh him down for much of his life. He must be free to develop his full dignity as a human being.

"It follows therefore that the ALP has always given a high priority to the establishment of more effective educational facilities.

"At the moment in Australia, these facilities are sadly lacking, so Labor will establish a Ministry of Education and Science.

"Labor pledges that it will increase the number of Commonwealth Scholarships from 5000 to 10,000. In addition, we will establish a system of scholarships similar to the University Scholarships for students at technical colleges, teachers' colleges and at the technical schools. These scholarships will be tenable at the school of the parents' choice and will be open to students from Government and non-Government Schools.

"We will make an emergency grant of £10,000,000 to the States to overcome the immediate crisis due to teacher and accommodation shortages. We will set up an inquiry into all aspects of education in Australia.

"Other points of Labor's which I know will interest Lalor electors are—

"The establishment of a Home Finance Commission to provide for housing loans at low interest rates and on low deposits not exceeding more than from 5 to 10 per cent. of the capital cost.

"Provide finance to the States at 3½ per cent interest enabling them to reduce rentals and repayments on housing commission homes.

"Labor will provide a free public medical service based on our public hospitals.

"Establish a complete national health service as was originally intended by the Chifley Government.

"In co-operation with the universities and the Royal College of Medicine, we will review medical education and training.

"We will abolish the 5/- charge for prescriptions and extend the free list of drugs.

"There will be no hindering of private medical practice or limitation of freedom to practise medicine. In any case the Constitution would not allow it.

SOCIAL SERVICES

"No society worthy of the name would neglect the welfare of our most precious blessing—children—and that of those who for various reasons are no longer adequately able to support themselves.

"The Australian Labor Party has pioneered practically all of Australia's social service legislation including provision for full employment.

"It is now proposed that Child Endowment should be increased for the first child to 11/- per week; the second child 19/-; third and subsequent children 22/- and for

children attending universities, a child endowment eligibility up to 18 years of age.

"Maternity allowance will be increased to £30 for the first child raising to £35 for the fourth and subsequent children.

"An additional 10/- per week will be paid to married pensioners and all social service eligibility will be extended to new Australians upon Naturalisation.

"These proposals will bring benefits into line with their value in 1949.

REPATRIATION

"We will provide that Cancer is treated as a war caused disease. Interpret the 'only of proof clause to give' servicemen the benefit of the doubt where medical opinion differs as to the origin of their disabilities.

"Provide treatment at Repatriation Hospitals for all World War I returned men whether their illnesses or disabilities are war caused or not.

"Grant medical benefits to the wives of TPI pensioners.

"Capacity to finance Labor's program has been questioned but that question has been raised in respect to every social reform ever propounded and accepted. The financial solution has readily been available and applied. History will repeat itself on this occasion.

"I have not this evening expounded all Labor's proposals, nor have I touched on our rural policy, which have outlined at length in a national broadcast last week. However, I shall be re-iterating it on many occasions in all States during the campaign."

LOCAL LABOR NEWS

Notice to all ALP members, unionists and supporters. A special meeting is to be held at the branch rooms, 128 Queen Street, Altona, at 8 p.m. on November 21.

This meeting is to finalise arrangements for the forthcoming federal election. Any persons willing to help will be welcome at the meeting or if they cannot attend the special meeting, arrangements can be made at the Old Civil Offices on the Saturday morning prior to the election.

Remember each contribution no matter how small lightens the load, and may be the means of returning a Labor Government.

D.L.P. VIEWS

D.L.P. branches in the Lalor electorate have gone very quickly to action stations following the announcement of the Federal poll on November 30.

At a special meeting for branch secretaries and presidents in Broadmeadows, members congratulated Mr. Jim Marmion on his endorsement as the DLP candidate for Lalor.

All know Jim well as the endorsed DLP candidate for the State Seat of Broadmeadows.

During the meeting Mr. Marmion answered questions regarding speculation that aid for independent schools would be the main Federal issue.

He said the DLP clearly stated that equal financial treatment for all school children, irrespective of the school attended, is of paramount importance to the development of Australia.

He also said it would only be an issue and not the Real Issue.

The DLP recognised the Real Issue at National Survival, based on sound foreign policy and relentless opposition to Communist infiltration at home.

As a direct contrast to the dynamic DLP policy, the ALP led by Mr. Calwell, has ambiguous policies that can be changed rapidly under Communist industrial pressure.

CLASSIFIED ADVERTISEMENTS

IN MEMORIAM

PURCELL.—In loving memory of Auntie Vic, passed away November 21, 1962. The old home is broken Where we often roamed. The hands that rest for ever,

Were the hands that made it home, Without farewells you went to sleep, But memories are ours to keep.

—Inserted by Jean, Tom and Colin.

PURCELL.—Treasured memories of my loving sister-in-law, who passed away November 21, 1962.

Not a day do I forget you Vic,

In my thoughts you are always near, Loved, remembered, longed for always, As it dawns the first sad year.

ALTONA PEDAL CLUB NOTES

Altona Pedal Club had a successful day at the Children's Safety Rally at Footscray last Sunday.

Teams from Altona, Ascot Vale and Williamstown competed for the two bicycles in best condition were won by Christine Traynor and Di-anne Haslam of Altona.

Boys and girls from Altona to win events were—M. Ryan, F. Wynn, R. Culbert, K. Wynn and B. Wynn.

SILVER PEDAL

Silver Pedal results this week were—1st: 140; 2nd: 80; 3rd: 105.

FIRE HAZARD TO BE CLEARED

Werribee Shire Engineer, Mr. McCormack, has been instructed to clear the area at the rear of properties in Ulm St., Laverton.

Mr. E. Hoggar drew council's attention to the height of the grass and thistles which are a potential fire hazard.

Last year the council used the front end loader to clean the area up and Mr. McCormack said he would attend to the matter as soon as possible.

ALP SPECIAL SERVICE TO INVALID VOTERS

The Altona Branch of the Australian Labor Party has arranged a special service to invalid voters living in the Shire.

If you are an invalid without transport, or if you are unable to attend a polling booth through illness or old age or other difficulty, simply phone 65-8653 or 65-8409 and transport will be arranged for you.

YACHTING NEWS

All racing was abandoned last Saturday after a number of yachts were forced to seek assistance from other competitors.

Alan Owen's yacht, Moonraker, was dismasted and her centreplate was broken off. Tom Jones broke the sliding seat on his yacht, Jet. Keith Wallwork split a seam in the mainsail of Althea when he was thrown into the sail after capsizing. These were the only yachts to suffer serious damage.

Although conditions were very heavy they were not dangerous and the afternoon's sailing was marred by a series of misfortunes and in some cases inexperience.

Members should note that the November general meeting will be held at 8 p.m. in the club rooms on Friday, November 29.

WERRIBEE RIFLE CLUB

Shooting in the second stage of the MDRCU pennant series at Williamstown Range last Saturday saw both Werribee teams defeated.

The championship team was defeated by the strong MCC team by 20 points.

The B Grade team was defeated by Coburg by five points. At 300 yards the frontal fishtail wind kept both shooters and coaches on the alert at all times. The top scores for Werribee were R. Morrall, 48 in the championship grade, and J. Sandford, 45 in the B Grade.

Next Saturday Werribee will travel to Geelong for the second stage of the Geelong Pennant Series over 500 yards.

Members are reminded that there will be a social night in the club room next Friday November 22.
